

# Welcome to our Sacred Space at Mercy by the Sea

In the spirit of keeping our guests and staff healthy, we appreciate your cooperation with our protocols. Please consider the risks to others if you have any symptoms or have been in contact with an active case of COVID-19.

## Upon Arrival

- Sanitizer is available as you enter the building.
- Provide documentation of vaccination\*  
If you are vaccinated but have been exposed to COVID-19 within the past 10 days, a negative COVID test is also required.

## In Public Areas

- **Wear a mask covering your nose and mouth at all times in public spaces.**
- We encourage physical distancing of at least six feet.
- In the public bathrooms at the front of the house, use is limited to two people at a time.
- Observe the posted limit of our elevator, two people at a time.
- Hand sanitizer is available in public areas.

## In Your Bedroom

- When possible, please use your own private bathroom instead of the public facilities located throughout the house.
- Frequent handwashing and use of sanitizer are recommended.
- At the end of your stay, please strip your bed and put sheets and towels into the bag provided.

## In the Dining Room

- Our self-service buffet has been modified. Food may be individually wrapped.
- While it is not our preference, some disposable containers may be used.
- Dining room seating is limited to four persons per table.
- Please remain in the same seat for the duration of your stay. Group table cards will be provided if applicable.

\*You are considered fully vaccinated: 1. Two weeks after the second dose in a two-dose series, such as the Pfizer or Moderna vaccines, or 2. Two weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine.
